Suggestions for memorizing:

1. Begin by reading the chapter you are seeking to memorize out loud.
2. The *New Hope Bible Memory Chart* groups verses into sets of five by chapter.  
Read a five verse group five times then check the, "Read 5x" box
3. Next memorize one verse at a time and sequentially cross off each number in the, "1 Verse" column.
4. Now work on memorizing two verses at a time starting with the previous verse from the last group.  
As you proceed, sequentially cross off two verses groups in the, "2 Verse" column.
5. Memorize a five verse group and check the, "5v" column.
6. Memorize a chapter then check the, "1 Chapter" box.
7. Memorize two chapters then check the, "2 Chapter" box.
8. When you get to the end of chapters three to six review all previous chapters and check the, "Review" box when complete.
9. When you are able to recite the entire book from beginning to the end check the final, "Complete!" box.
10. Celebrate successfully memorizing the book!
